

Industrial Technology Research Institute (ITRI)

[Industrial Technology Research Institute \(itri.org.tw\)](http://itri.org.tw)

ITRI is a world-leading applied technology research institute with more than 6,000 outstanding employees. Its mission is to drive industrial development, create economic value, and enhance social well-being through technology R&D. Founded in 1973, it pioneered in IC development and started to nurture new tech ventures and deliver its R&D results to industries. ITRI has set up and incubated companies such as TSMC, UMC, Taiwan Mask Corp., Epistar Corp., Mirle Automation Corp., and Taiwan Biomaterial Co.

- ITRI is named a Double Winner at Edison Awards 2022. (April 25, 2022)
This marks the sixth year that ITRI has won the honor, showing its creativity and consistency in innovating a better future. Other 2022 award winners include leading companies such as 3M, Abbott, Dow, and IBM.
- ITRI and eight other (*) companies from Taiwan receive Honor of Top 100 Global Innovators. (* TSMC, Foxconn, MediaTek, Quanta, AU Optronics, Delta Electronics, Wistron, and RealTek) (April 20, 2022)
- ITRI is awarded Socio-Economic Development and Resilience Award by France High Level Forum (December 9, 2021)
- ITRI wins three 2021 R&D 100 Awards (October 26, 2021)
This marks the 14th consecutive year that ITRI has received the honor of R&D 100 Awards. Other winners this year include world-leading research organizations such as MIT Lincoln Laboratory, Los Alamos National Laboratory, and Oak Ridge National Laboratory.
- ITRI winds one Gold and one Silver at Edison Awards 2021 (April 26, 2021)
The Edison Awards, known as the Oscars for Innovation, have announced this year's winners. ITRI stood out from nearly 400 nominees in the competition and collected two awards—a gold for its ITRI's AI-Based High-Density Shuttle Rack Service System and a silver for its microbial dye technology MetabColor. Other Edison Awards 2021 winners include Abbott, Corning, Dow, GoPro, Merck, and many more global innovators.
- ITRI takes home a Gold 2020 Edison Award (April 9, 2020)
- ITRI is named a Derwent Top 100 Global Innovator 2020 by Clarivate Analytics. (March 11, 2020)
It is the fourth time and the third consecutive year that ITRI has won a place on this prestigious list, making it the most awarded organization in Taiwan ever. ITRI is also the only research institute in Asia to be named a Top 100 Global Innovator for 2020. Other winners this year include international companies such as Google, Microsoft, Merck, and NTT.
- ITRI takes home two 2019 R&D 100 Awards. (December 6, 2019)
- ITRI wins two CES 2020 Innovation Awards. (November 11, 2019)
